Gujarat Law Society

"Give a man wealth and he might squander it. But give him education and it will not only enrich his own life but also make him more conscious of his duties towards society".

With this mission to enrich lives of many through education, like-minded visionaries like Shri Sardar Vallabhbhai Patel, Shri Ganesh Mavlankar and Sheth Shri Kasturbhai Lalbhai established Gujarat Law Society in 1927. Initially, the Society was established with the specific purpose of imparting legal education and training. Since then, the Gujarat Law Society has come long way with 38 educational institutions under its umbrella.

The financial framework of the Society was strengthened by munificent donations given by philanthropic personalities like Shri Charandas Haridas, Shri Mahendra Kanaiyalal, Shri I.M. Nanavati, Sir C.U. Shah, Shri Deepak Nanavati, Dr. Pramod Mehta.

With the steadfast resolve to "aim higher" & the motto of "Excellence in Education", today Gujarat Law Society aptly ranks among the premier educational bodies of the country.

From the Honorary Secretary

With a ton of pride I greet all our corporate accomplices to the Placement Process at Gujarat Law Society's Management Programs.

Gujarat Law Society (GLS) is a premier educational group, offering courses in different disciplines. It remains as an equivalent word for contemporary education in the region with its best in class foundation which houses about 29 organizations in different circles.

GLS's Flagship foundation in range of Management is N.R. Foundation of Business Management, which offers 2 years MBA Program subsidiary to GLS University. It likewise offers Post Graduate Diploma in Management (PGDM). The significant concentration of this program is proficient improvement of understudies to enable them for getting to be noticeably effective administration experts in the corporate world.

At a time when India in general & Gujarat in particular, is achieving astronomical growth rates, it is imperative that management education touches both chords-global and local. I am proud to be able to claim that this task has been successfully accomplished by NRIBM . We at NRIBM find out the demands of the corporate fraternity and then equip students with the skill sets as per the industry requirements. Not only academics but exposure is given in the area of co curricular and extra curricular activities too. Every student of NRIBM is a shining example of how the best academic & para-academic practices can be used to the optimum to groom a management professional par excellence.

Once again, I welcome you to the placement process at GLS's MBA programmes & am confident that you will find the talent you are looking for.

Devang Nanavati
Honorary Secretary

Invitation from Director

It's a proud moment to say that our 6th clump of NRP GDM is successfully going to make their ingress in the professional coliseum. It gives me massive delight to present to you, the Placement Brochure for the graduating Batch of 2018 of N.R. Institute of Business Management.

At NRIBM our main focus is always for high quality and engaged classroom learning. Here we fabricate a foaming group of pioneers and worldwide management chiefs. With the approach of globalization, we set up the understudies with through an always refreshed educational modules, guided by an exceptionally qualified and experienced workforce. Unvarying relationship of our students and faculties with the whales from the corporate environment assist us in prepping our students to meet the dynamic needs of the epoch / period.

I am sure our passionate batch of 2018 will carry with them vision and idealism into every aspect of their life. Notwithstanding greatness in scholastics, the students have also demonstrated their strong point into Co-curricular and extracurricular exercises. The knowledge, high vitality and abundance of our understudies upheld by their solid scholastic and logical aptitudes guarantee that they convey an additional measure of ability to the world.

We are tremendously gladdened to invite you for a Campus Placement Drive of final year students – batch 2016-18 and become a part of our endeavor of making the intact flair sparkle. We would be happy to furnish you with any additional data and help with this respect.

Dr. Hitesh Ruparel

Director

NRIBM at a Glance...

Gujarat Law Society imparts post graduate management education through its most prominent institute N R Institute of Business Management (NRIBM). Currently NRIBM offers the two year Post Graduate Diploma in Management and a MBA Programme under head of GLS University.

The prime philosophy behind the management programme at Gujarat Law Society is to create innovative thought leaders well equipped with strong functional skills along with palpable ethos to contribute the society at a micro as well as macro level.

In order to foster innovation, the institute adopts a flexible culture, welcoming new initiatives, firmly believing in the capabilities of students as internal stakeholders. This has ensured a large number of students in evolving their own business models and ideas, simultaneously participating into various social events as well.

There is a strong emphasis on fulfilment of one's own social responsibility as a result of which the students are constantly encouraged to evolve campaigns with social messages.

The institute proves to be a perfect facilitation ground, to the extent that its locational advantage empowers students to indulge into multiple activities.

The 32,000 sq. mt campus has been well planned to provide best in class amenities in form of technically equipped air-conditioned class rooms, an auditorium with a capacity of 300 for conducting seminars and conferences and computer labs with around 400 nodes, dedicated wireless network and seamless net connectivity.

The institute possesses one of the richest library which is central to learning for all management graduates. The library currently hosts more than 18000 books, 105 national and international journals, and 7199 electronic resources.

The students are also benefited with the vast experience of faculty members who not only act as facilitators but also as mentors to provide them the most realistic educational and training experience.

Resources..

The academic and physical infrastructure at NRIBM provides an inspirational environment, inspiring intellectual minds and creativity. The student-friendly ambience is accentuated by the vast pool of amenities and facilities on the campus.

HIGHTECH CLASSROOMS

The classrooms at NRIBM are designed to endorse interactive learning involving the students and the faculty. All the classrooms are air-conditioned and operational with multimedia and audio-visual Equipments that facilitate effective teaching and learning

ADVANCED COMPUTER LABS

The institute has high-technology supported labs which are equipped with more than 230 computers. All computers are connected to a Local Area Network which also connects the faculties for sharing and communicating information to students. Apart from this, the students and faculties can have access to 5.5 MBPS broadband internet connection and WIFI facility.

LIBRARY RESOURCE CENTER

The library at the institute boasts of 105 international and national journals, magazines & periodicals as well as over 18000 books, 7199 e-books, reference volumes & CD-ROMS. This keeps the students abreast about the Indian & Global corporate environment, which nurtures and enhances their knowledge

Insights of PGDM Programme

The post graduate diploma programme is a maiden initiative for from Gujarat Law Society's most reputed management institute N R Institute of Business Management. Ever since its conception, PGDM has ventured out of the conventional educational model of management studies and experiments with innovative techniques and methods of teaching. This novel model of education gives way to an extremely pioneering programme in Management with a special emphasis on leadership and innovation.

PGDM has been challenging the traditional model of management education in many a ways. With the experience of running various batches of MBA and setting up new benchmarks of excellence in education, the maiden batch of PGDM now evolves to be one of the most unique educational models, and is equipped to offer the various distinct experiences.

- Education in Business, Management Innovation, leadership and sectorial exposure leading to Post Graduate level Diploma
- Relevant industry experience through Industry Institute Partnered Internship (IIPi) in the chosen domains
- Contemporary learning in three thrust areas (chosen careers) viz. Marketing Management, Finance Management and Human Resource Management

Structure of the Programme

PGDM has been designed as a unique course with perfect blend of education, industry experience and innovative self-learning pedagogies, which formulates the core of unique approach towards management education.

The entire course structure has been designed keeping in mind constant learning from contemporary educational training comprising of four rigorous terms:

- Building foundation on business formats, channels and processes, macro-economic scenario, communications, and operations research
- Sensitization towards different functional areas of Management/business organisation
- Business Implementation and Management at advanced level including the chosen career area (specialization)
- Business Expansion and specific business (specialization) and skill set impartment through advanced courses.

Simultaneously, the participant has a choice to select one of the three thrust areas of the programme viz.

Major Specialization

- Marketing Management
- Financial Management

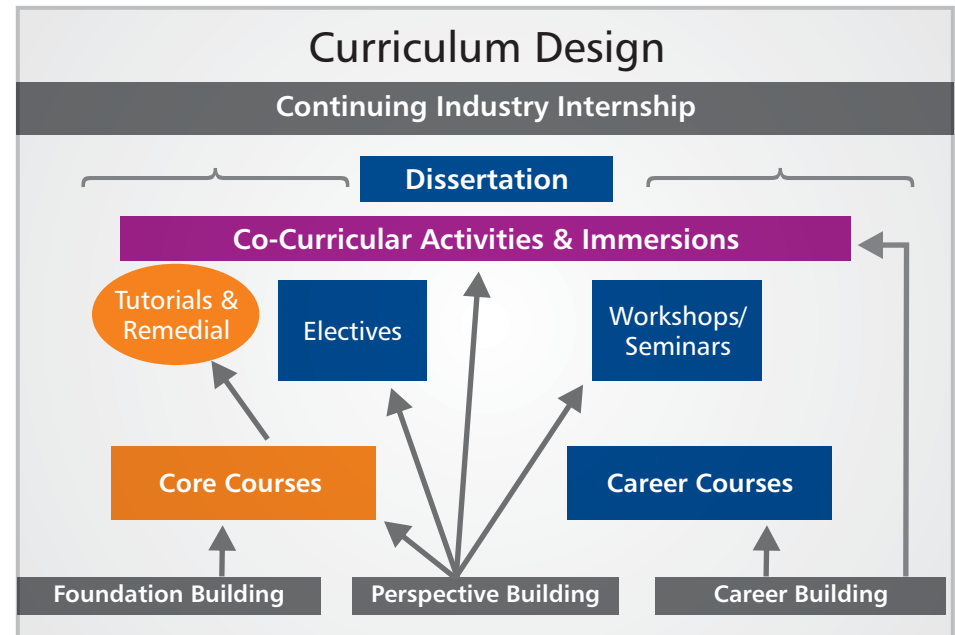

Minor Specialization

- Marketing Management
- Financial Management
- Human Resources Management

The curriculum is divided in a mix of core courses, career courses and electives. The framework of the curriculum has been conceptualized to provide the participant a globally relevant management perspective along with honing the personal skills inculcating leadership abilities to manage innovative ventures in current techno-economic domain.

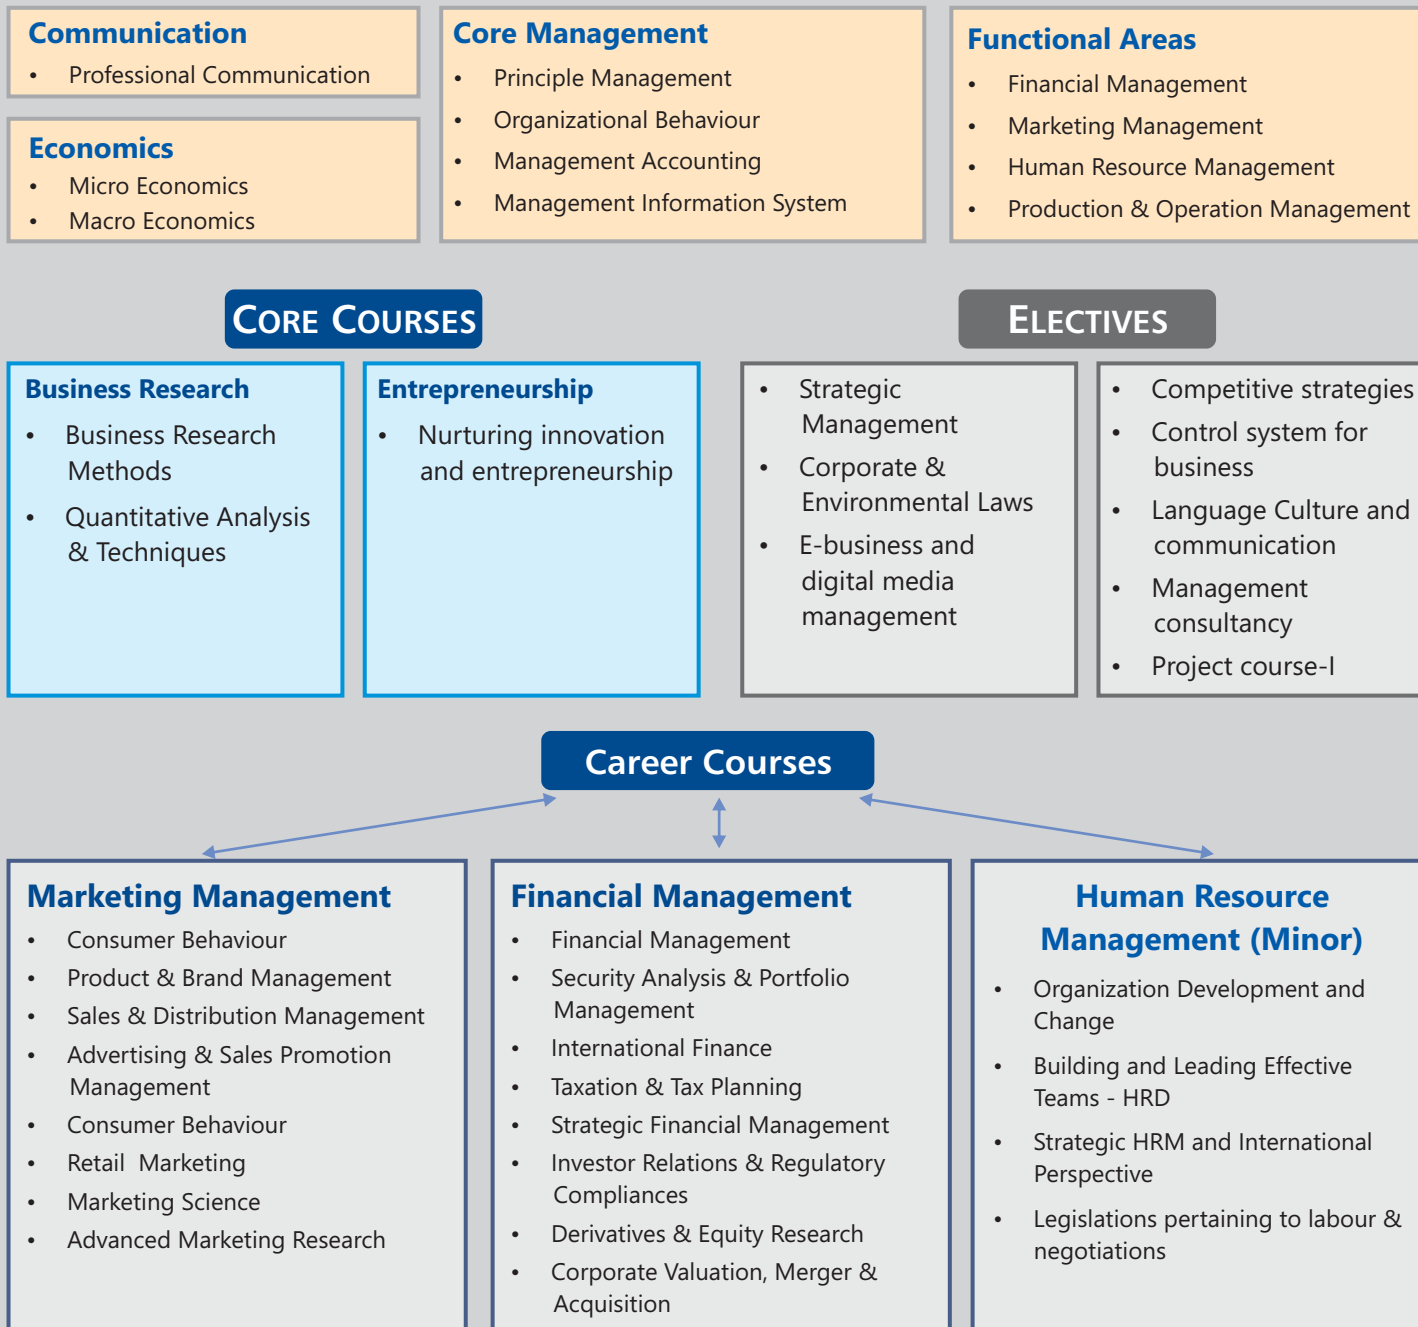

Curriculum Design

	Final Dissertation (Comprehensive Project)	1 month
Overall		24 months

Curriculum Snapshot

Pedagogy Adopted

The overall structure of the pedagogy involves the following learning process:

- Classroom learning: Lecture/discussions
- Small Group works
- Simulations and role plays
- Industry Projects and Dissertations
- Self-reflection and Self-learning
- Tutorials/Remedial
- Internships/Live projects
- Immersions (Rural/International)

Students are expected to devote for each classroom sessions at least three hours of work outside the classroom. This may involve going through, pre-read, self-learning, cases analysis, group work as a part class preparation and post class assignments involving self-reflection, individual or group assignment, project work and so on.

Work Load and Students Assessment Systems

- a) The Institute uses the concept of “credits” to define the workload of a course in terms of class room sessions or equivalence in case of project work. Each course listed in the curriculum is essentially one credit
- b) A 40 session course of classroom learning combined with 72 hours of outside classroom work (fieldwork, self-learning, classroom preparation, project and examination) is considered equivalent to one credit course. In case of project course of one credit need to involve work load equivalent to 80 hours of work

Immersion

Global Immersion (Rural/International/Simulated Enterprises)

The prime objective behind offering International Immersion as part of the PGDM programme is to ensure a global orientation/perspective, through participation and understanding of international practices in a selected country's institutes/organizations. This participation and understanding needs to be directly relevant to one of the various identified areas/domains of Business and Entrepreneurship. This may result in a study of cultural, social, economic & political environment of countries chosen for immersion.

Satisfactory completion of International Immersion is one of the prerequisites for graduation from PGDM. It carries 4 course credits. The total duration of International Immersion is 15 days:

Objectives

1. To develop a global mind set, which is a critical factor for effective executive / entrepreneurial career
2. To appreciate and analyse different business practices as contingent upon the socio-cultural and economic contexts.
3. Identify, comprehend and apply - business practices globally relevant in the context of
 - some of businesses/industry verticals/academic topics (through a visit abroad)
 - rural development practices related to issues/opportunities in India (through rural immersion)
 - student's own business idea/model/domain (through immersion of simulated enterprises)

Students may choose the three alternatives to complete this requirement. These are:

1. Undertaking a visit to a foreign country
2. Rural Immersion
3. Simulated enterprises

Dissertation

Dissertation/Strategic Industry Project – PGDM PROGRAMME

Students opt for industry project for fulfilling the requirements of dissertation. Students use the learning and cases based on their project work as well as continuing industry internship to enrich the industry project.

Objectives:

1. To enhance and apply strategic and analytical skill set to macro environment to industry and an organization using multidisciplinary perspective
2. To apply some of communications, marketing, management and business model and techniques to understand challenges in industry and emerging trends
3. To draw best practices in industry – in Indian and global context

To identify critical factors for generating key decision options and propose new tools/techniques/methods and processes for analysing critical factors leading

Industry Project Framework

1. The students select any one of Industry/segment vertical or academic topics based on which they wish to study industry problem pertaining to their career interest. For example, a student choose to work on Strategic Marketing in Event Management vertical, or Strategic Brand Management across other segments in management domain.
2. The focus of the dissertation is on the critical analysis of key elements, future prospects and present it as a framework or a model which will guide the practices in industry.
3. As a part of the next step, One needs to consider the challenges and key trends (out of published sources) being faced in a particular industry vertical/ academic discipline using either industry wide or organisation level diagnostic problem solving exercise and propose innovative solutions/models approaches.
4. The students bring in innovativeness and strategic thinking approach to the entire analysis and perceive future opportunities and growth prospects. Along with or apart from this, the students try to spot a breakthrough innovation/process or idea in the said field.
5. Students ideally bring in the back up of some exploratory research work through qualitative research and quantitative projections about the industry/segment from the secondary sources.

Academic Extension Activities

In accumulation to its academic activities, the institute is involved in a swarm of additional activities which are an expansion into united meadows and which reinforces the institute-industry ties.

Evolve

Looking the current corporate scenario, it seems extremely needful to develop people and performance skills of management students. Hence, as a part of continuous education GLS–Faculty of Management has been conducting a soft skill training program – “EVOLVE” for management students of all level. This program aims to make management students competent enough to survive in the professional world. Students of GLS – MBA get acquainted with the soft skill areas like Grooming & Body Language, Interview Skills, Presentation and Public speaking skills, Group discussion etc. For the year 2017 – 18 one day soft skills training workshop was conducted for second year MBA as well as PGDM students on 30th August 2017. The trainer for the workshop Ms. Mitti Limbachiya, is well known NLP practitioner and a Life coach. She has been training students & corporate representatives on the areas of soft skills, NLP and V & A training for more than 10 years. Total 150 students were present in 5 hours Training Workshop on 30th August and the topics covered were Resume Writing, Key to win Group Discussion, Dos and Don'ts of Interview.

Group Discussion

A topic or a situation is provided to a group of students and they are expected to discuss the topic among themselves for 15-20 minutes. It is a very useful tool to screen the candidate's potential in terms of their interactive & behavioural skills, communication & leadership skills and convincing skills.

Management Quiz

Management Quiz covers topics on General management, Marketing, Advertising, HRM, Finance & Capital markets, Business events and Personalities in the news. The basic objective of arranging management quiz is to assess and review awareness level of core management issues as well as current global developments. It creates an environment of healthy competition and develops skills like lateral thinking, teamwork, decision making and time management.

Debate Discussion:

Debate is a formal argument, in which two opposing teams put forward a given proposition or motion in a series of speeches. It is governed by a set of rules, which permit interruptions or “points of information” by the opposition. The students are encouraged to think on positive as well as negative aspect of the topic at the same time which increases their thinking and logical reasoning ability. It provides competitive opportunities to the participants and encourage them to develop skills like quick thinking and high level of presentation skills.

Ad-making with Financial Management

An innovative, out-of the box product is given to each team. Each team is required to prepare an advertisement, tag-line or a jingle for the product and market its different uses to the audience. They are also expected to decide the cost structure to make the product affordable and profitable. It focuses on enhancing marketing and financial skills of the students along with convincing and communication skills.

TED Talk Discussion

TED Talks are influential videos from expert speakers on education, business, science, tech and creativity. They are video podcast of the best talks and performances from the TED Conference, where the world's leading thinkers and doers give the talk of their lives in 18 minutes (or less). These short videos will be shown in the class followed with an open discussion on the topic. This will not only enrich the students with the knowledge of contemporary issues but will also teach them to think critically and creatively to participate in an open discussion and share their viewpoints on the topic of discussion.

Collage of News articles: Students will be divided in groups and will be given a recent topic/burning issue in varied areas like Marketing, Finance, HR, Technology, Politics, etc. Students will be provided different newspapers of repute and will have to read them and find articles relevant to their topic. Each group then prepares a collage of the news articles and presents it before the class. This activity keeps the students abreast of the national and global development and enhances their presentation skills.

Industrial groups

Industrial groups are an innovative method of keeping students abreast with the happenings in major industries. Various industrial groups are formed with a faculty member in charge of each group. The members of the group meet on a weekly basis to discuss news articles, web casts and other developments in the industry of their choice. This exercise not only enhances general knowledge, but is also extremely useful to students during the placement process.

MANEDGE – The Wall Magazine

Manedge is a platform provided to the students for expressing their view points in a creative manner on various themes such as Economics, Politics, Marketing, Finance, Management, Global happenings and so on. The thought process behind Manedge is to create a learning opportunity for students by assigning end-to-end responsibility. Students collectively write articles on these varied topics and present them creatively in the form of a wall magazine.

Over the years, Manedge has evolved as a self learning platform where students can express their opinions in a significant manner. Institute encourages students to put efforts on research on wide range of topics to understand its insight, know current happenings, and express their observations along with suggestions to bring the change

Sanshodhan:

A Summer Internship Competition was organized by the Institute on 28th August, 2017 to admire, appreciate and assess, the practical learning of the 8 selected projects on the basis of their internship. Extreme research, analysis and literature review of each project made the competition interesting. The competition was made difficult by the questions that the participants faced from the judges. Students were awarded for their practical implications and well suggested findings with respect to the industry of their project. The first prize was secured by Mr. Setu Dani and Ms. Ushmita Rajput, the second prize was secured by Ms. Urvi Ganatra and the third prize was secured by Ms. Jobanputra Mahendi.

State Level Summer Internship Competition - Parishti:

GLS has organized a state level summer internship competition – “Parishti, 2017” on 4th September, 2017. The event furnished several colleges, a common platform to showcase their practical learnings and their contributions from their summer internship. A total of 34 projects were shortlisted from 45, including colleges like B.K.School of Management, K.S. School of management, Ganpat University, Amity school of management and other reputed institutes. Off all the enriching projects, the first position was secured by Nilesh Dhage – Raju Shroff institute of business management, the second position was secured by Dr.Linsha from Christ institute of management and the third position was secured by Riya Jain of Amity institute of management. The best speaker of the event was awarded to Heena Gajjar of ITM Universe, Baroda.

Research at Institute

Institutes attempt at developing innovations in management practices and leveraging the expertise of corporate partners. Five research cells have been set up in the areas of:

- Financial Services
- Non-Financial Services
- IT, Technology & BPO
- Engineering and Manufacturing
- Pharma, FMCG, Media and Advertising

These cells actively interact with companies in relevant sectors and undertake live research projects, organize guest talks and take up joint research projects.

Research Papers from Students and Faculty Associates

The institute, apart from establishing a robust teaching environment, facilitates and supports cutting-edge research in a wide variety of areas. This enables the students to acquaint themselves with latest developments in their respective areas of study and pursue their own research interests. The institute encourages its faculty members and students to establish collaborative research ventures. The students and faculty members of the institutes are actively involved in writing research papers on various contemporary issues in national and international journals. Institute has also subscribed to Online Research Database like EBSCO and J – Gate. Over the period of the last one year, the students and faculty members have published several research papers in International and National Journals of repute.

National Level Research Conference : GLS ATRPM - 2017

Faculty of Management, GLS University organized the National Conference on Advances in Theory, Research and Practice in Management (ATRPM-2017) on 23rd September, 2017. The prime objective of this conference was to provide a platform for exchange of ideas between experienced and knowledgeable researchers, practitioners and doctoral students in various fields of economy, marketing, finance and human resource. Mr. Saumil Paronikar, AVP & Zonal Head, Tata AIA Life Insurance graced the event as the Chief Guest and delivered a key note address on 'Future of Management Practices'. The audience was mesmerized with his knowledge and expertise in the area of research. Dr. Bhalchandra Joshi, Provost, GLS University, Ms. Chandni Kapadia – COO, GLS

University, Dr Hitesh Ruparel, Director General, GLS University and Dean, Faculty of Management, Dr. Dharmesh Shah, Registrar, GLS university, Dr. Rajesh Asrani, Dean, School of Doctoral Research and Innovation and Dr. Jasmin Padiya, Associate Professor, FOM, GLS University, along with Mr. Saumil Paronikar unveiled book of selected research papers and conference proceedings. The conference witnessed immense response with receiving 124 research papers from across the country, of which 109 research papers were accepted and selected by following a double blind review process. Of the selected 109 research papers presented at the conference, they were awarded for the 'Best Research Paper' and 'Best Presentation' in 'Corporate & Academics' and 'Students' category. The winners received a cash prize and a certificate for the same. The valedictory session saw a compelling keynote address delivered by Dr. Arnab Laha, Professor, IIM Ahmedabad on 'Advancement in Management Research. The event concluded with a promise that the learning will continue to enrich for years to come.

2nd India-New Zealand Business Forum

In accordance with the MOU of Indian and NZ government, to promote bilateral trade, within the two nations, the first New Zealand, India Business Forum was successfully held at Hamilton, New Zealand in the month of November, 2012 and it went ahead as building a platform for the academicians and corporate fraternity of both the countries to come together and understand the nuances of doing businesses at each other's territory. While the first Business forum, hosted at Hamilton, focused largely on channelizing NZ investments in India and developing a better understanding of Indian markets and business practices, the 2nd forum was proposed to be a platform for exploration of mutual and reciprocal opportunities in choosing areas of economic development.

N.R. Institute of Business Management (GLS MBA) hosted 2nd New Zealand-India Business Forum on December 14, 2013 in association with University of Waikato, New Zealand and Federation of Indian Chambers of Commerce and Industry (FICCI). Guest of Honour for the event was Mrs. Jan Henderson, High Commissioner of New Zealand, amidst the presence of various dignitaries consisting of Shri Sudhir Nanavati, Executive Vice President, GLS, Shri Devang Nanavati, Honorary Secretary, GLS, Prof. Geof Holmes, Chairperson, India Regional Group, University of Waikato, the convenor of the forum from New Zealand: Dr. Asad Mohsin, Director, Institute of Business Research, University of Waikato, the convenors of the forum from India: Dr. Hitesh Ruparel, & Dr. Rajesh Asrani, N.R. Institute of Business Management and Ms. Chandni Kapadia from Gujarat Law Society.

The forum was mainly deliberated to achieve the objective of developing ties between organizations of similar interest as well as those willing to partner in strategic areas. It will also focused to help the academicians and corporate fraternity of both the countries understand and appreciate each other's cultural differences and dynamics of businesses, practices and economic policies. In addition it focused on topics to facilitate the inflow of investments in both the countries in a reciprocal manner by involving a trade counsels and federations in a structured manner. It also focused on topic to build the forum as a platform for understanding the challenges faced in doing businesses across both nations and suggest solutions to advice Indian Government (and if possible NZ) on required policy changes to ensure better trade and investment opportunities between the two nations.

3rd India-New Zealand Business Forum

For the first time in the history of its more than eight decades of existence, GLS hosted an international business forum outside India. GLS was proud to partner with University of Waikato, New Zealand. India New Zealand Business Council and Federation of Indian Chambers of Commerce and Industry and host the third edition of India New Zealand Business Forum at Hamilton between 5-6 December, 2014.

The forum was attended by major dignitaries from India and New Zealand, including the High Commissioner of India in New Zealand, His Excellency Mr. Ravi Thapper and the Mayor of Hamilton Her Excellency Ms. Julie Hardaker. The forum deliberated upon several issues related to enhancement of bilateral trade between both the countries in their chosen sectors of mutual collaboration. Several keynote presentations and panel discussions were held in the areas of Tourism and Hospitality, Education and Research, Agri Business and Information Technology.

From GLS, Dr. B. H. Joshi, the Registrar and Dr. Rajesh Asrani, Professor N R Institute of Business Management participated in the Forum. Dr. Asrani was conferred the responsibility of being the convener of the forum from Indian Side. He also led the Indian delegation to New Zealand. He was also given a responsibility to deliver the welcome address to the gathering.

As a prelude to the forum, a two day international conference on advances in academic research was also held. This conference attracted researchers from India, New Zealand, Singapore and Australia. During this conference,

Dr. Asrani presented a research paper in his key note address titled "Strategic Implications of Intellectual Property Management in Developing Nations" Dr. B H Joshi and Dr. Asrani also participated in a panel discussion on "Advances in Education and Research" during the forum. Dr. Joshi stressed on the development of skill oriented programmes in partnership with the universities abroad. He also propagated the adoption of Yog and Ayurved as alternate health and wellbeing areas by NZ universities. Dr. Asrani identified opportunities

in mutual research collaboration and in his final comments suggested to take a realistic stock of the effect of such networking events.

Extra Curricular Activities

Talentino

With the objective of providing a platform to explore the latent talent of the students, every year institute organizes "Talentino", the annual cultural festival. These activities exist to complement the academic curriculum and to enhance the student's educational experience as Education cannot happen just in classroom—it must go beyond the walls of the classroom. Over the years, Talentino has emerged as most effective extracurricular platform to enhance management and organization skills of students in a pleasant way. Institute has found some of extraordinary talents through Talentino, who stand out among the group.

Revel

"Health is wealth", those who understand the benefits of being fit can cherish its fruits of being active, focused, and strategically sound. All work and no play will certainly make a student get bored in academics, so we at institute have come out with Revel, a sports event considering of games like football, carom, cricket, football, chess and volleyball. The best part of the event is that the whole even is being organized by the students and for the students. Which portrays the leadership, team spirit and sportsmanship of the students on the ground, and is reflected in their work too, later on.

Funashala

With the objective to groom the students and acquaint them with management skills required to sustain and grow in corporate world, two days event under the name of FUNSHALA is Organised by NRP GDM. 'Branding Buddies' was organised on Day one where in students are given a product which they had to develop and Market it to the audience. On the second Day under the name of Groupsterzz, Students performed various drama dance and role play like Anti ragging superstition and many more.

Fit-O-Holics – A Fitness Workshop

Here at GLS, students are trained to be mentally and physically fit to manage stress in the anxiety of this competitive business world. This helps them feel relived and boosts there willpower to face the next. This year the Faculty of Management had organized a workshop on fitness – 'Fit-o-holic'. The students were given an opportunity to be part of 3 day long workshop in the form of Bokwa, Aerobics and Yoga & Meditation. For Bokwa and Aerobics certified and licensed instructor Mr. Navin Agrawal was invited and for Yoga Mr. Pravin Adiyal was invited. More than 50 students had participated in the same.

Blood Donation Camp:

The goal of GLS is not only to groom managers of tomorrow, but also to sensitize students towards the needs of society. GLS thus, aims to make their students, socially responsible citizens. On this path, GLS organizes Blood Donation Camp every year in association with Indian Red Cross Society. This year it was organized on 7th September, 2017 by Faculty of Management for MBA, PGDM & I-MBA courses. GLS proudly shares that students had extended their full co-operation in conducting this noble campaign and had volunteered to donate a total of 90 units of blood.

Alumni Association

The institute has a strong network of over 1300 alumni members with whom it is in regular touch through various activities and events. GLS STAMP (Student Teacher Association of Management Program) organizes Sankalan - a reunion of alumni every year with the purpose of confluence between the past & future talent. The Alumni members are the ambassadors of the institute in the corporate & they continue to bring laurels to their alma mater in form of regular guest lectures and final placements. GLS management programmes aims at generating & maintaining a strong alumni network by reaching out to alumni & keeping them connected. At the institute's end, two faculty members are actively involved in maintaining the coordination of this association and expanding the already large alumni network.

GLS takes pride in showcasing achievements of its alumni. Any educational institution gets its name and fame from achievements of its alumni. Faculty members feel proud, staff elated and juniors inspired by achievements of alumni of the institute. All the achievers, time and again feel grateful to their alma mater. Occasionally they feel nostalgic to the moments they shared with friends during college days. But opportunity to meet all the old college friends rarely knocks, in the modern over busy life.

This year, Sankalan was organized on 25th February, 2017 at the GLS Lawn. The Purple Flower musical band had performed on various song and the evening was a jazzy mix of classic rock and refreshingly new music of the world. The event ended up with a nostalgic note with a promise to meet again, reinforcing Sankalan, as one of the most awaited event of the year.

Go Green – Tree Plantation Drive

When the whole world is discussing measures to counter climate change how can GLS remain behind on such a thing. Go Green is an initiative of GLS Management programme where the members of the GLS family come together to plant saplings. As these saplings turn into trees, they not only give us shade, but also fruit and better air to breathe. Growing trees is not only nurturing nature but also giving a healthy tomorrow to our forth coming generations. So we made this a part of our curriculum.

Thanganat - Garba Celebration

The students of Faculty of Management, GLS University organised a Garba celebration on the 9th day of the Festival, 29th September, 2017. The event started with Aarti and ended up with divine and joyous feeling among all the people who were present. The event also had winners in various categories.

Gender Sensitization Workshop:

A workshop on the topic of 'Gender Sensitization' was organized by Women Development Cell of Faculty of Management, GLS University in association with Sauhard. Sauhard is an Ahmedabad based non-profit organization working on youth development to promote and establish peace, harmony and equality. The workshop was organized on 1st September, 2017 from 11 am to 1 pm by Ms. Rajvi Kaur and Ms. Bhavi Barad who are the facilitators at Sauhard. 62 students had participated in the workshop from various courses of Faculty of Management. The main purpose of the workshop was to make people aware of the existing inequalities among the gender and to make people move towards the society where all are treated equally and fairly and where people don't judge others on the basis of their appearance. The workshop involved various activities like debate, skits & survey. These activities made students speak out their opinion towards such gender gap that exists in our society.

Pahel

Pahel was started by students of N.R. Institute of Business Management-PGDM with a dream to do something for kids who are special in some or the other way, but doesn't get an opportunity to prove. The underprivileged and differently-abled kids are given an opportunity to display their talent in music, dance and allied areas. Students of NRPDGM visit NGOs to meet the children and help them prepare for the competitions as well.

More than 150 children between the age group of 7 to 18 years, who are visually impaired, hearing impaired, mentally challenged or have other disabilities showcased their talents in various arts including vocals, dance and thematic representations and drama through 17 performances from various NGOs like Blind Peoples Association, Samvedna, Sarjan, Sparsh, Uthan Taleen Kendra, Savera and many more.

Judges and guest invited for the event were (IPS officer) Deputy Municipal Commissioner of Ahmedabad - Mr Siddhartha Khatri, Radio Jockey- Vasisth Thakkar (Radio Mirchi), Actor -Ravi Meena and District Social Defence Officer-Mr Bharat Desai.

Participants were very enthusiastic and performed extremely well. The constant motivation and cheers from the students made it an evening to remember!

Convocation

N.R. Institute of Business Management held its sixth convocation ceremony for the students of Post Graduate Diploma in Management of its batch 2015-17 on 10th November 2017.

The ceremonious event marked the august presence of the luminaries like Dr. Adam Fenech, the chief guest of the event, Co- recipient of Noble Peace Prize for his work with IPCC, shared with Al Gore. He is the Director, Climate Resource Unit, University of Prince Edward Island. The Guest of Honour was Dr. Malay Mahadevia, Director, Human Resources and Adani Ports & Special Economic Zone Ltd. The ceremony was presided by Shri Sudhirbhai Nanavati, President GLS University.

Malay Mahadevia appreciated the efforts of the university and applauded the employability skill enhancement initiatives resulting into commandable placement outcomes. He advised students to be ethically and morally sound in their career pursuits.

Dr. Adam Fenech, in his convocation address, suggested that 21st Century belongs to India. India has great demographic strength and Indian youth is an unstoppable, overwhelming human force that will bring great changes in the global world culture as well as style of living. He talked about newer technologies and how they are going to change the future. He advised the students to be responsible to themselves, their parents and friends, community, their country and finally to the planet. He talked about climate change in Ahmedabad and its dangers. Finally he talked about the importance of vision for the society and future and prevention of the environmental catastrophes.

The event ended with a positive determination in the convocating students and a strong resolve for a responsible conduct.

Process of Placement

1 The Placement Cell sends invitations to companies/ organizations along with relevant information.

2 Company/ organization sends in the details of the job and the offer using campus visit confirmation form.

3 If the company/ organization wishes to conduct a Pre-Placement Talk (PPT) they can send a request along with the preferred dates.

4 The job and offer details are announced to the students, along with any other information furnished by company/ organization.

5 Interested students show their willingness to appear for the recruitment process of a company by registering at the Placement Office.

6 Placement Office allots dates in consultation with the company for conducting Pre-Placement Talk (PPT) and campus interviews.

7 Company visits the campus on the allotted date/s and conduct Written Test and/or GD/Case Discussion and/or Personal Interview according to their recruitment process.

8 The company/organization is required to furnish the final list of students selected during the recruitment process and issue a copy of Offer Letter on successful selection of candidate/s.

Internship: A Infrastructure

Internships

Industry Interaction through the internship programme is an important component of curriculum in PGDM at NRIBM. Industry Institute Partnered Internship Programme would be one of the innovative offerings of this programme aimed at developing future leaders and innovators in the industry.

The IIPi has been designed to offer several new value-added deliverables to the industry and enhance significant learning opportunities for students. IIPi combines two major components, viz. industry immersion and long term learning association with an organization through offline assignments.

Under IIPi, each student is attached with an organization at the end of the term II and associates over the next 12 months (till the end of the programme) for undertaking a major online assignment and one major offline assignment, both of which would be defended by the participant in front of a panel of experts appointed by the institute and industry. This ensures that students exhibit a high level of commitment to organizations and deliver key values with comprehensive strategic insights.

The students, upon confirmation of internship, would work in close co-ordination with the mentor from NRIBM faculty and/or industry practitioners as well as from the organization.

INTERNSHIP STUDENTS' PROFILE 2018

Prachi Agrawal

Qualification: B.COM

Email-id: prachiagrawal.nrpgdm17@gmail.com

Contact Details: 8128228197
